(Founded 1862)

Affiliated to Club Cricket Conference,
Lawn Tennis Association and
Squash Racket Association
Registered member of the
Cooperative or Community Benefit
Society

2 March 2016

Parking Policy

In general the car park at the club should only be used by members participating in club activities. Members should not park at the club if going elsewhere. We do accept that on the odd occasion members may wish to use the car park for activities such as using Wood Street station and going into town but this should not be on a regular or frequent basis.

With regard to vans and lorries, the car park should not be used except for deliveries to the club or for works in association with the club, and the bar manager is made aware in advance

Vehicles may not be parked anywhere along the driveway into the club, only in the broad parking area to the rear of the tennis courts.

The designated 'Disabled Parking' bays may only be used by Blue Badge holders.

We would be grateful if members would adhere to these guidelines for the safety of all club users.

Vehicle parking will be monitored and offenders may be subject to disciplinary action by the Management Committee.
